

# profiltra

**profiltra** is a technical trading company providing technical advice and supplying technical specialities to various industrial sectors in the Netherlands and European countries, as well as in countries outside Europe. The head office is established in Almere (Netherlands) with branches in Germany, England and China with a total staff of 45 men and women. Further information can be obtained from our website [www.profiltra.nl](http://www.profiltra.nl)

Our China office focuses on the export of pigments to Europe and to other parts of the world, such as U.S.A., South America, Taiwan and India, for application in paints and printing ink.

For this office, established in Nanjing, we are looking for a

## TECHNICAL SPECIALIST PIGMENTS

who will be the link between our salesmen in Europe and our Chinese pigment suppliers. This staff member should be prepared to take up residence in Nanjing.

This technical specialist will also be responsible for the laboratory which we are planning to set up in Nanjing for testing pigments prior to their shipping to customers. These tests should prove that the pigments meet the specifications required. In this frame regular visits to our Chinese suppliers belong to the tasks of this co-worker.

The technical specialist pigments will work under and report to the general manager of our Nanjing office.

The man or woman we are looking for should have the following qualifications:

- ✓ Chinese nationality and full command of Mandarin Chinese
- ✓ Command of Dutch and/or English in speech and in writing
- ✓ Qualified chemical engineer / analyst
- ✓ Preferably knowledge of organic pigments
- ✓ Accurate worker

Interested in this job? Please send your CV to our postal address, which you will find below, or to the following e-mail address: [jdeboer@profiltra.nl](mailto:jdeboer@profiltra.nl)
