

Learner-Centered Training

Brief intro of our main team members:

Ms YANG Ju

Master of Chinese Language and Culture College of Nankai University, major in Foreign Language Teaching. She is a former Chinese teacher of Institute of Jinan University, China. She prepared editing HSK exercises and was involved in the preparation of online textbook "Elementary Chinese" of Chinese Institute of JNU. In Netherlands she taught Chinese in ROC Twente, and is now the head of a Chinese school in Nijmegen.

Ms LU Yue, Libelle

Graduated from Shanghai Lixing Accountancy Institute, grown up in a musical family, ms LU is fond of language, arts and culture. She is friendly, communicative and orderly. She successfully brings these features into her lesson. She also teaches at "Moderne Talen" in Hasselt.

Ms WANG Lan

Immigrated to the Netherlands in 1986, Ms Wang has contributed to the Dutch society with her technical background. She is an active member of VNC and is enthusiast in language teaching and culture activities. Ms Wang has a high responsibility sense and rich experience.

Ms Miao Yizhen, Kitty

Outstanding graduates of Beijing Normal University. She started teaching in 1996 and has rich experience in teaching both adults and children. She is an invited speaker at: Eindhoven center library, ROC, RIS, TU/e, Fontys and more other schools and companies. Ms Miao develops an edutainment method, keeps eyes on the multicultural and business education development. She devotes into enhancing understanding through education.
